

DAVIS GENEALOGICAL CLUB

MARCH PROGRAM

Pamela Bell Dallas

Find your family treasures using
an important and often overlooked resource
for family history researchers.

Dallas will present an overview of The National Union Catalog of Manuscript Collections, or NUCMC. The "Nuck-Muck" is a Library of Congress listing that describes in detail more than 70,000 small independent manuscript collections of genealogies, original letters, diaries, school records, logbooks, and more in libraries and other depositories throughout the U.S.
