

DAVIS GENEALOGY CLUB

MAY PROGRAM

RESEARCHING SCANDINAVIAN GENEALOGY

Genealogist **Mel Stephensen** will discuss the geography and history of Scandinavia, the purposes of genealogical records in this region, and the role of the State Church in creating them. Also, he will tell us about the language and handwriting and some of the customs in the use of names. After hearing about parish, census, probate and civil records, the audience will have an opportunity to practice reading parish registers.
