

THE DAVIS GENEALOGY CLUB

presents

An Evening Introduction to Genealogy

Please join us Thursday evening, October 25th, from 7-9 p.m. at the Davis Senior Center for an informative discussion on how to begin your search for your family history.

Learn what you need to put together your family tree and what resources are available to aid in your research. Tour the Genealogy Library and meet others interested in this wonderful pursuit.

Blank charts and informative handouts will be provided to help get you started. Find out about: uncovering home sources, interview techniques and sample questions, using maps, citing sources, and more. Internet research and computer genealogy programs will not be the main focus of this basic introductory overview.

Free and open to the public.
