

DAVIS GENEALOGY CLUB

OCTOBER PROGRAM

“HOW TO GET ORGANIZED”

Glenda Gardner Lloyd has been working on genealogy for over 35 years and during that time has developed a method of organizing her records, photographs, and other papers so that they are safe and the information readily available.

Ms. Lloyd will share her ideas with our group at our October 29th meeting. This promises to be both practical and valuable for all of us who are at times “overwhelmed with paper.”

Please join us!
