
Hi, folks!

Unfortunately, we heard last night that our scheduled speaker on "Using Newspapers in Genealogy Research" has been forced to cancel her presentation on Monday. The alternates that Mary Ann has contacted are not available to take the place of Helen Lucas. However, we've decided to hold a round table discussion focusing on our own successes in the world of newspaper research. We have several members with experience using newspapers and we hope that everyone will share what they have learned about the topic. There will be handouts available, and we will provide an opportunity to do some real-time laptop research during the meeting. We will learn from each other.

So, we will meet on Monday, June 30th at 1:00 p.m. in the Activities Room at the Senior Center. Our secretary Roberta suggests that if you have clippings on early family activities, weddings, business deals, or deaths, bring them along if you wish. We can learn how you found them or what they have meant to you. I loved learning about your special objects earlier this year, and I look forward to seeing what "news" we can share! Roberta also reminds us that indexes to many early Yolo County newspapers are available at the Yolo County Archives.

Our next regular meeting after Monday's will be held on September 29th. Have a great summer! The library will remain open through the summer on Wednesday and Friday afternoons from 1:00 to 4:00. See you on Monday!

Warmly,

Lisa
