

Davis Genealogy Club

September Meeting

Susan Jackman

on

THE GENEALOGICAL PROOF STANDARD

We begin the 2008-09 season of the Davis Genealogy Club with a look at proof, a fundamental concept in genealogy. The Board of Certified Genealogists has created a standard by which family historians should measure their evidence when proving a relationship. Our speaker will discuss the orderly process needed from research goals to reasoned conclusions. This is a must for serious genealogists!

**MONDAY, SEPTEMBER 29, 2008 • 1 PM
DAVIS SENIOR CENTER • 646 A STREET, DAVIS**

Davis Genealogy Club meetings are open to the public, and guests are welcome.
