MARCH MEETING

“VISITING THE LAND OF YOUR GERMAN ANCESTORS” Preparation and Personal Experience

Our March program features two speakers sharing their experience and knowledge about German genealogy. Sacramento genealogist, **Shirley Riemer** draws on her 39 trips to Germany to describe preparations needed before embarking on a research visit to Germany. She will discuss available repositories as well as the kinds of records seldom or never available. **Lois Richter**, a Davis Genealogy Club member, will share her recent research trip to Eastern Germany with slides, stories and some surprise results. This is a program not to be missed!
