ANNUAL MEETING & HOLIDAY PARTY SHARING FAMILY RECIPES AND TREASURES

This meeting will be a celebration of the season with refreshments and remembrances of family traditions and holidays. You are encouraged to bring a treat to share that conjures up warm memories of holidays past and, if you wish, bring a family treasure/heirloom that speaks to your remembrances of holidays past. We'll spend some time sharing these memories and tasting the traditions. Bring a copy of your recipe if you wish; we will copy it for those who wish to create it for their family.
