

DAVIS GENEALOGY CLUB

ANNUAL MEETING & HARVEST FESTIVAL

DAVIS GENEALOGY CLUB MEMBERS AND GUESTS...

At our November 19 Annual Meeting and Fall get together, we will celebrate the season with refreshments and remembrances of family food and fashion. You are encouraged to **bring a traditional family food to share** that conjures up warm memories of the harvest season.

In addition, this year we will spotlight our **ancestors' fashions and marriage photos**. We will have four vintage wedding dresses on display as well as other historical garments. We've printed up some gorgeous old photographs of wedding couples from the collections of our members and we'll share the stories behind these fashions.
