Finding Cracks in Your Brick Wall

Speaker: Vi Parsons

Certified Genealogist & Author

Have you hit a “brick wall” in your family history research? Almost every genealogist has come across a problem that seems impossible to solve, yet there is hope! To kick off the new year, the Davis Genealogy Club is assembling new tools to attack these toughest of problems. Long-time researcher Vi Parsons will present ten steps to finding the clues needed to start to break down your brick walls. **Find out how the smallest clue can pave the way to major solutions.**

Vi Parsons is certified and accredited in genealogy by Brigham Young University and the National Genealogical Society of Virginia. She has been a teacher/lecturer since 1993 and a researcher for more than 40 years. Vi has documented her ancestors to the early 1600s. She is a member of the International Society of Family History Writers and Editors and has authored several books on her Dragoo family history.
