

DAVIS GENEALOGY CLUB

ANNUAL MEETING, FALL HARVEST FESTIVAL & SHARING OUR FAMILY HEIRLOOMS

DAVIS GENEALOGY CLUB MEMBERS AND GUESTS:

Please join us for all the fun at our Annual Meeting and Fall get together on Tues. November 15th as we again celebrate the season with refreshments and remembrances of family foods and fun. This year our **Show and Tell** will be open to **all family heirlooms**. An early entry is flapper dresses from the 1920s! If your object is too large or fragile to bring in, we can feature a photo of your item on a display board. We'll share the stories behind these great old objects and images, giving each person about 5 minutes to speak. It's a great way to get to know each other. Plus, pictures of the fun can be added to our club album!

You are encouraged to **bring a traditional family food to share** that conjures up warm memories of the harvest season—**and tell us about it**. If you don't have a dish, don't fret. We want to see you here anyway! There's always plenty of great food, and feel free to bring a friend to meet us.
