Genealogy Workshop:

Exploring the FamilySearch Family Tree

with **Lois Richter**

This popular returning hands-on workshop is for those interested in exploring and adding to the growing world family tree at FamilySearch.org, a remarkable LDS resource. Bring your own laptop/device and get started using a community family tree to share your information with everyone without compromising the research on your own computer. Club member and internet expert Lois Richter will demonstrate on the big screen how to access and add to the shared tree online as you grow your own family tree. RSVP via email to: LWHender@gmail.com or call Lisa Henderson at 530-753-8943.

Lois Richter has been producing television shows since 1992 and she hosts two radio shows on KDRT (95.7) in Davis. She is a former research assistant at the Eastern Avenue Family History Center in Sacramento. Lois has family lines in Wisconsin, Illinois, Michigan, England and Germany.
