

DAVIS GENEALOGY CLUB

ANNUAL MEETING & HARVEST FESTIVAL

DAVIS GENEALOGY CLUB
MEMBERS AND GUESTS,

Please join us for all the fun at our Annual Meeting and Fall get together on **November 27th** (the week following Thanksgiving this year) as we again celebrate the season with refreshments and remembrances of family food and fun. This year our **Sharing** will spotlight ancestral **family pets**, perhaps the earliest one you know about in your family. If you have an object or a photo to share, we will display it. We are printing up your **old photographs featuring these ancestral family pets** to show. We'll share the stories behind these great old objects or images, giving each person about 5 minutes to speak. It's a great way to get to know each other! Plus, pictures of the fun can be added to our club album.

You are encouraged to **bring a traditional family food to share** that conjures up warm memories of the harvest season—please do **tell us about and share the recipe for our collection** if you wish. No dish to share? No worries! We want to see you here anyway! There's always plenty of great food!

PLEASE JOIN US !!
